

Agreement To Serve

I understand the responsibilities and demeanor of a Collier Harvest volunteer and accept my charge to serve the hungry of Collier County as follows:

I will always act with honesty and integrity and will only give the food to organizations that feed the hungry. (Collier Harvest includes a list with each newsletter. If not adhered to, liability may be implied under the "Good Samaritan Act" of the State of Florida.)

I will read the Collier Harvest newsletter each month to check my schedule. If there is a problem with my scheduling, I will call my Collier Harvest Coordinator.

If I am unable to make my designated schedule, I will call my Coordinator well in advance.

When picking up food from a donor, I will always perform my service in a mannerly and considerate fashion that will reflect the pride I have in being a Collier Harvest volunteer. If I experience a problem with a donor, I will leave courteously and contact my Coordinator immediately.

I will deliver the food that I pick up from donors immediately, in order to give our recipient agencies the freshest food possible.

I will always act in a courteous fashion at the recipient agencies and pass along any information concerning the needs of the agencies to my Coordinator.

I will write the approximate number of pounds of my delivery on the weight chart supplied by Collier Harvest at each agency. I understand that the IRS puts a value on our deliveries by the pound and that these records are important to our organization and to our donors.

Please fill out this form and mail it as soon as possible to: Collier Harvest, P.O. Box 11143, Naples, FL 34101-1143. Thank you.

Name _____

Street Address _____

City, ST Zip _____

Telephone _____

What year did you begin with Collier Harvest? _____
